MAINTENO

Personalized Facilities Management

Your Dedicated Facilities Manager

Seamless Support

With Mainteno, you gain an experienced, dedicated Repair and Maintenance Manager (R&M) who becomes an extended part of your restaurant team. This personalized approach ensures your unique repair and maintenance needs receive attention and precision.

Tailored Solutions

Your R&M Manager works closely with you to develop customized maintenance plans that align with your operational goals. Our experienced, trained team understands the intricacies of your restaurant, enabling proactive solutions that keep your kitchen running smoothly.

Effortless Communication

No more juggling multiple contacts. Your dedicated R&M Manager serves as your single point of contact, simplifying communication and ensuring all maintenance needs receive prompt attention.

Proactive Management

Your R&M Manager anticipates potential issues before they become problems, helping to prevent costly downtime. We schedule regular check-ins and inspections to ensure compliance with NFPA requirements and public health department regulations.

Long-Term Relationships

At Mainteno, we prioritize partnerships. Your dedicated R&M Manager negotiates the best pricing and terms for your repair and maintenance work and invests in your success, continually adapting maintenance and repair services to meet your evolving needs and challenges.

Focus on What Matters Most

No more maintenance hassles to distract your focus. Mainteno manages your repair and maintenance while you concentrate on running your restaurant or your kitchen. With a dedicated R&M Manager in your corner, you can focus on delivering an exceptional dining experience to your customers and increasing your revenue.
